Pastoral Team

WE ARE HERE TO HELP

The Pastoral Team is a group of volunteers who value spending time with those in our community who find themselves in need of someone to talk with. There are many situations in which it can be good to talk

~when we find ourselves facing difficult circumstances, and would like someone to talk with who is outside our situation;

~when we find ourselves struggling with an illness, which means we cannot get out like we used to;

~when we find ourselves missing someone we have lost and would love to talk with someone about how we feel.

HERE IN CONFIDENCE

We all value our privacy and need to be sure that those we talk with will be sensitive to this and that we will always be treated with respect and courtesy. All members of the Pastoral Team understand the importance of confidentiality and you can be assured that any conversation will be treated courteously, with respect and discretion.

HERE ON YOUR TERMS

We also recognise that it is important that any visits, which are organised, do happen and continue to meet your needs. All visits and conversations will only happen by mutual agreement.

REQUESTING A VISIT IS EASY

If you would like someone to visit you, you can phone or email the Pastoral Team Co-ordinator or Parish Priest who will find out what works best for you. Please do not feel you are on your own and that no one is there for you.
